

User Guide Sample Registration

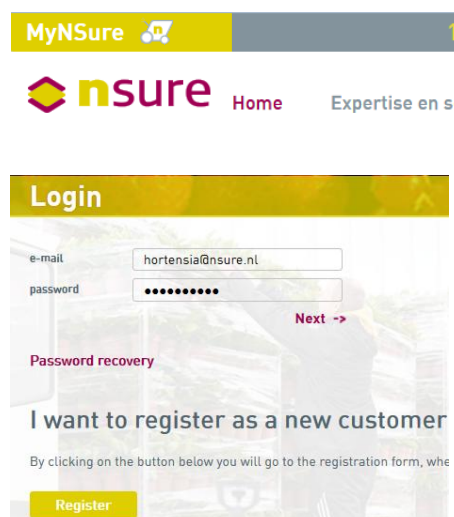

Before you mail the sampling card to the NSure test lab for analysis, it should be registered at our website www.nsure.eu. This guide explains how this is done.

Step 1 Open the website of NSure (www.nsure.eu) and click on **MyNSure**.

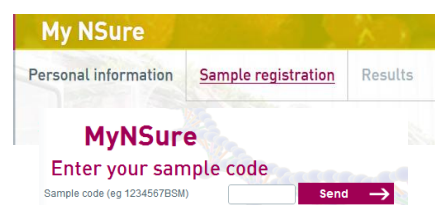

Step 2 Login with your **e-mail** and **password** on your MyNSure account. New customer? Please click on “Register” and register yourself. Your login-credentials will be sent to your e-mail address within a few minutes.

Step 3 Click 'Sample registration' and enter your sample code (on the back of the FTA card). Fully enter the requested details about the sample completely and click 'Send'.

Step 4 Mail the sampling card(s) with your name to the NSure test lab (in the envelope provided).
Send the card by courier? Please use our visiting address:
NSure BV, Binnenhaven 5, 6709 PD WAGENINGEN, The Netherlands

The screenshot shows the MyNSure website header with the logo and navigation links 'Home' and 'Expertise en s'. Below the header is a 'Login' section with input fields for 'e-mail' (containing 'hortensia@nsure.nl') and 'password' (masked with dots). A 'Next ->' button is to the right. Below the login fields is a 'Password recovery' link. At the bottom of the login section is a yellow 'Register' button. Below the register button is a section titled 'I want to register as a new customer' with a subtext 'By clicking on the button below you will go to the registration form, whe' and a yellow 'Register' button.

The screenshot shows the 'My NSure' navigation bar with tabs for 'Personal information', 'Sample registration' (selected), and 'Results'. Below the navigation bar is a section titled 'MyNSure' with the text 'Enter your sample code' and a subtext 'Sample code (eg 12345678SM)'. There is an input field for the sample code and a 'Send' button with a right arrow.
